

# ACCESSORIES

## XL750 TRANSALP

**TRANSALP**

## The original Transalp

The original Transalp, introduced in 1986 with a 583cc V-Twin engine, is something of a legend. And as testament to the sheer quality of its build and timelessness of its design, many can still be seen on Europe's roads today.

This is just what the new XL750 Transalp is built to do, and a legend of adventure touring is thus reborn.

# Protection

## ENGINE GUARD

08ESY-MLC-ENG

The Engine Guard protects the engine frame in case of fall or collision, while providing an enhanced adventure appearance to the motorcycle. Made of steel and finished in Mat Beta Silver Metallic colour. This accessory is required to fit the Skid Plate onto the motorcycle.

This kit includes:

- Engine Guard
- Guard Attachment

## FRONT SIDE PIPE

08P72-MLC-D00

The steel side pipes reduce damage to the motorcycle fairings and other parts in case of fall, while providing an enhanced adventure look.

The Guard Attachment (08P74-MLC-D00) is required to install it.

## SKID PLATE

08P71-MLC-D00

The skid plate consists of a 2.5 mm thick aluminum plate with excellent strength and corrosion resistance. It is designed to protect the motorcycle parts located around and below the engine like the oil filter or the exhaust pipes, and shaped to fit perfectly with the engine guard for a more compact and resistant appearance.

To install the Skid Plate, Engine Guard and Engine Guard ATT are required.

## RADIATOR GRILL

08F74-MLC-D00

The Radiator Grill, featuring the TRANSALP logo and made from stainless steel, has an original mesh pattern combining cooling capability with protective function. This reduces potential damage to the radiator core from debris.

## KNUCKLE GUARD & EXTENSION

08ESY-MLC-KNGZB

The Knuckle Guards improve the ride comfort by protecting the rider's hands against adverse weather and wind. (Extension included)  
Available in the following colours:

- 08ESY-MLC-KNGZB White Knuckle Guards
- 08ESY-MLC-KNGZC Black Knuckle Guards

## TANK SIDE STICKERS

08P70-MLC-D00ZA

These tank side stickers, feature the TRANSALP logo. The special surface treatment makes them resistant to scratches and stone chips when driving on rough roads or off-roading, while their flexible sheet makes them easy to install onto the tank surface. Available in 3 colours:

- Dark Blue - suggested combination with Transalp in "NH196" Ross White (Tricolor) - (08P70-MLC-D00ZA)
- Grey - suggested combination with Transalp in "NHA86" Mat Ballistic Black Metallic - (08P70-MLC-D00ZC)
- Black - suggested combination with Transalp in "NHC64" Mat Iridium Gray Metallic - (08P70-MLC-D00ZB)

# Performance

€116.00 €104.40

## RALLY STEPS

08R79-MKS-E00

With their aggressive spike shape and a surface 57% larger than the standard ones, these Rally Steps improve the stability and control during off-road riding while reduce risk of boot slip.

€315.00 €283.50

## QUICK SHIFTER

08U70-MLC-D00

The Quick-shifter allows up and down clutchless gear changes, with auto blipper function for smooth and instant shifting which enables stress-free riding not only for sports driving but also for touring.

Features adjustable operation load in three stages.

## Design & maintenance

### WHEEL STRIPES

08F73-MLC-D00ZA

08F73-MLC-D00ZB

These colour-matching wheel stripes, featuring the TRANSALP logo, increase the sporty appearance of the motorcycle. The kit includes 2 stripes per wheel side. Available in 2 colours:

- Tri-colour - suggested combination with Transalp in "NH196" Ross White (Tricolor) (08F73-MLC-D00ZA)
- Grey - suggested combination with Transalp in "NHA86" Mat Ballistic Black Metallic or "NHC64" Mat Iridium Gray Metallic - (08F73-MLC-D00ZB)

08ESY-MLC-PNAL

Set of 2 panniers with a 26L capacity on the right side, and 33L on the left. The "Honda one key system" allows to open and close the panniers by using the key of the motorcycle. Maximum load capacity (both sides): 6 kg

This kit includes:

- Pannier Case (R26,L33)
- Pannier Inner Bags
- Panel R/L Pannier
- Key System Inner Cylinder x2
- Pannier Support Stay
- 2x Key System Inner Cylinder

€106.00 €95.40

## TANK BAG

08LB9-MKS-E00

This light and compact Tank Bag features a transparent pocket and it's ideal to store small personal items. Unnoticeable while steering the bike, this Tank Bag is firmly attached thanks to a one-touch buckle and a magnet. A rain cover is included.

Capacity: 3L

Maximum load weight: 1,5 kg

€104.00 €93.60

## TOP BOX PAD (CUSHION)

08R74-MLF-E00ZA

Designed to match the 50L Top Box, this backrest is made to enhance the passenger comfort and reduce the fatigue in long rides and journeys.

€156.00 €104.40

## PANNIERS INNER BAGS SET

08L78-MKT-D00

Set of 2 inner bags matching the shape of the panniers new design. Available in black with a discrete Honda signature, these inner bags come with a shoulder strap for easy carry.

€75.00

## 25L INNER BAG FOR TOP BOX

08L77-MKT-D00

The Top Box inner bag provides a 25L capacity storage and is easy to carry thanks to its shoulder strap. Featuring Honda Logo.

# Comfort

### HEATED GRIPS

08T70-MLC-D00

Extremely slim heated grips focusing on the area of the hands most sensitive to cold with a 5-level integrated controller for maximum rider comfort. Operated with the handlebar switch, the TFT monitor displays the temperature adjustment level. An integrated circuit protects the battery from draining. The last level selected is memorized when the ignition is switched off.

### FRONT FOG LIGHTS

08ESY-MLC-FFL

Set of 2 additional front LED headlights with all necessary components for the fitment to the front side pipe (not included). Increase the visibility for the riders and make them more noticeable for the surrounding traffic.

Operated directly with the handlebar switch and signaled on the TFT monitor when activated. 2 led lamps of 11W.

This kit includes:

- Front Fog Light
- Front Fog Light Attachment

### COMFORTABLE PILLION STEPS

08R71-MJP-G50

Deluxe pillion footpegs made of aluminium and rubber that are wider than the standard pegs for increased comfort.

### DEFLECTOR SET

08ESY-MLC-DFL

Wind and weather protection are enhanced by the Deflectors, which improve the ride comfort by reducing traveling air around the rider's arms, chest and shoulders.

This kit includes:

- Windscreen deflector
- Fairing deflector

### HIGH SCREEN

08R73-MLC-D00

The height of the normal screen is extended by 75mm for this accessory High Wind-screen, which increases rider and passenger comfort by maximizing wind and weather protection.

The coated strong polycarbonate surface featuring the Honda logo is scratch-resistant. No additional hardware required for the installation as it is directly mounted in replacement of the standard screen.

€27.00

### 12V SOCKET

08U71-MKK-D00

Power or charge electrical equipment using this convenient 12V Socket (Provides 2A).

€174.00

€156.60

### LOW SEAT \*BLACK\*

08R74-MLC-D00ZB

The Low Seat, which is 20 mm lower than the standard seat, improves ground reach.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute – under any circumstances whatsoever – an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Please contact your local dealer for information and specifications. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

**RIDE WITH STYLE** Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.

#### CUSTOMIZED PARTS IMPORTANT NOTICE

Please read carefully before purchasing any Customized Parts. The manufacturer and distributor of each Customized Part guarantees and warrants the function, performance, and quality as detailed with the Customized Part. Customized Parts must be correctly attached or fitted in compliance with the laws and regulations.

It is the responsibility of the vehicle owner/user to ensure the Customized Parts are correctly attached or fitted to help ensure the safe use of the vehicle, the safety of the vehicle user and others.

You must read carefully and follow the instructions in the Instruction Manual/Leaflet attaching/fitting as instructed. Please make sure to conduct an inspection prior to riding the vehicle, in addition to regular maintenance checks.

If you have any queries about the attachment/fitting, please contact the dealership where you purchased the Customized Parts.

If you experience any abnormalities during the ride, please stop immediately and arrange for an inspection at a dealership.

In any absence of any negligence or breach of duty by us, the use of such Customized Parts is at your own risk. This will not affect your statutory rights.

- Prices are Suggested Retail Price for reference only. Actual sales prices are defined at each dealership.
- Prices do not include the vehicle price, or service rate to attach the option parts etc. These will be charged separately.
- The specifications, price etc. of Customized Parts are liable to change without

advance notice. Customized Parts may require time for delivery or could be discontinued without advance notice.

- You must read carefully the Instructions and Customized Parts must be attached/fitted correctly as instructed to vehicles and parts on the vehicle as specified in the instructions, and should not be applied anywhere that is not specified.
- To attach/fit the Customized Parts, special treatment (e.g. wiring) may be necessary. Please contact the dealership should you have any queries.
- We cannot guarantee that it is possible to attach/fit a combination of various Customized Parts. Such attachments/fittings may not be possible, or require an extensive level of treatments.
- The Customized Parts are not Honda Genuine parts, therefore although some Customized Parts may be similar to Honda Genuine Parts the Durability, Functionality, Quality etc. may differ.
- By attaching the Customized Parts, there is a risk that engine characteristics or drivability may be affected.
- Certain Customized Parts may require to be attached/fitted at a certified factory or workshop, in this instance we strongly recommend attachment/fitting at a certified factory or workshop. Please contact the dealership for the certified factory or workshop details.
- Any fitting time stated is for reference only. For details as to fitting time, please contact the dealership.
- The exact color of the Customized Parts shown in photos may not match the actual color of the Customized Parts.
