The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute – under any circumstances whatsoever – an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Please contact your local dealer for information and specifications. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

RIDE WITH STYLE Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.

CUSTOMIZED PARTS IMPORTANT NOTICE

Please read carefully before purchasing any Customized Parts.

The manufacturer and distributor of each Customized Part guarantees and warrants the function, performance, and quality as detailed with the Customized Part.

Customized Parts must be correctly attached or fitted in compliance with the laws and regulations.

It is the responsibility of the vehicle owner/user to ensure the Customized Parts are correctly attached or fitted to help ensure the safe use of the vehicle, the safety of the vehicle user and others.

You must read carefully and follow the instructions in the Instruction Manual/Leaflet attaching/fitting as instructed. Please make sure to conduct an inspection prior to riding the vehicle, in addition to regular maintenance checks.

If you have any queries about the attachment/fitting, please contact the dealership where you purchased the Customized Parts.

If you experience any abnormalities during the ride, please stop immediately and arrange for an inspection at a dealership.

In any absence of any negligence or breach of duty by us, the use of such Customized Parts is at your own risk. This will not affect your statutory rights.

- Prices are Suggested Retail Price for reference only. Actual sales prices are defined at each dealership.
- Prices do not include the vehicle price, or service rate to attach the option parts etc. These will be charged separately.

- The specifications, price etc. of Customized Parts are liable to change without advance notice. Customized Parts may require time for delivery or could be discontinued without advance notice.
- You must read carefully the Instructions and Customized Parts must be attached/fitted correctly as instructed to vehicles and parts on the vehicle as specified in the instructions, and should not be applied anywhere that is not specified.
- To attach/fit the Customized Parts, special treatment (e.g. wiring) may be necessary. Please contact the dealership should you have any queries.
- We cannot guarantee that it is possible to attach/fit a combination of various Customized Parts. Such attachments/fittings may not be possible, or require an extensive level of treatments.
- The Customized Parts are not Honda Genuine parts, therefore although some Customized Parts may be similar to Honda Genuine Parts the Durability, Functionality, Quality etc. may differ.
- By attaching the Customized Parts, there is a risk that engine characteristics or drivability may be affected.
- Certain Customized Parts may require to be attached/fitted at a certified factory or workshop, in this instance we strongly recommend attachment/fitting at a certified factory or workshop. Please contact the dealership for the certified factory or workshop details.
- Any fitting time stated is for reference only. For details as to fitting time, please contact the dealership.
- The exact color of the Customized Parts shown in photos may not match the actual color of the Customized Parts.
